

## RAMON A. ANTUNEZ

Ramon's experience is a combination of civilian and military field work dating since 1997. His land surveying expertise as a Crew Chief has taken him to lead projects (field operations) in Central, South America and The Caribbean. While in the ARMY, he served one tour in Afghanistan, where his Geo Spatial expertise's placed him in various assignments collecting sensitive geographic data utilized in various missions.

### Professional Experience.

#### **LIDAR – PHOTO ID, GPS AND TOPOGRAPHIC LAND SURVEY.**

As a Survey Crew Chief, combined disciplines such as GIS/GPS/Conventional Survey (Trimble equipment) to work on Photo Aerial Surveys, Boundary and Highway Surveys, Utility Inventory Field Surveys (storm / sewer structures/underground utilities location), and Laser Scanning (Trimble). Responsibilities ranged from data management (research, processing, QA/QC), to field execution, and including field personnel supervision. Main AO encompasses South Eastern USA, and Puerto Rico, with some international experience, such as;

- Dominican Republic – Hydroelectric plant - Targeting, and ground control - GPS network / LIDAR Control
- Panama – Panama Canal expansion – Targeting, and ground control – GPS network
- Honduras - Aerial Photo ID, HWY corridor development. Ground operations - GPS network. HWY corridor 17 klms. Soto Cano AFB – LIDAR control
- Colombia - Aerial Photo ID, HWY corridor development. Ground operations - GPS network / LIDAR Control
- Construction / Residential Surveys
- Environmental Technician, Office for Environmental Control. City of San Pedro Sula, Honduras

### Military Experience

- Basic Army Training – Fort Jackson, SC.
- Advanced Individual Training – Geo-Spatial Analyst 21Y, Fort Belvoir, VA.
- ARMY Topographic Analyst – Afghanistan.
- Warrant Officer School

### Education

- Hocking College, Nelsonville Ohio.  
**AA Environmental Management**  
**AA Geo- graphics GIS/GPS**
- Kennesaw State University. Present  
**BS, Integrative Studies (minor in Surveying and Mapping) – Senior Status**
